The useful takeaway

The recorded result is -3.3 points against the league net average. Captaincy, transfers, automatic substitutions and unused bench points are reconciled to the collector record.

FROM THE AUTHOR · A PINCH OF SALT

Below the league's 53.3-point net average, with the evidence filed and the season still long.

Final collector metrics for GW09 · generated 3 November 2026 (Ontario). Gross points are before transfer hits; net points deduct hits. Unused bench points exclude players whose points entered the XI through automatic substitutions. Wildcard and Free Hit transaction counts come from the transfer list because FPL records zero charged transfers for those chips. Official standing and season total are from the finalized league record. Fixture records remain marked finished_provisional by the FPL API.
