FROM THE AUTHOR · A PINCH OF SALT

28 unused bench points: enough to be noticed, not enough to be retroactively selected.

Final collector metrics for GW09 · generated 3 November 2026 (Ontario). Gross points are before transfer hits; net points deduct hits. Unused bench points exclude players whose points entered the XI through automatic substitutions. Wildcard and Free Hit transaction counts come from the transfer list because FPL records zero charged transfers for those chips. Official standing and season total are from the finalized league record. Fixture records remain marked finished_provisional by the FPL API.
